Part I – U.S. Portland Cement Industry **Page**

Executive Summary	1
-------------------------	---

Tables

1 U.S. Historical Data Summary	2
2 U.S. Capacity Expansion Estimates	4
3 U.S. and Canada Industry Update	5
4 U.S. Retired Cement Facilities	6
5 U.S. Active vs. Inactive Clinker Capacity	6
6 U.S. Kiln Age Summary	7
7 U.S. Fuel Usage Summary	8
8 U.S. Waste Fuel Usage Summary	9
9 U.S. Company Ranking by Clinker Capacity	10
10 U.S. Company Ranking by Grinding Capacity	11
11 U.S. State Ranking by Clinker Capacity	13
12 U.S. State Ranking by Grinding Capacity	14
13 U.S. Plant Ranking by Clinker Capacity	15
14 U.S. Plant Ranking by Grinding Capacity	17
15 U.S. Company Capacity and Ownership	21
16 U.S. Cement Plant Detail	25
17 U.S. Cement Plant Detail by State	139

Part II – Canadian Portland Cement Industry

Executive Summary	161
-------------------------	-----

Tables

18 Canadian Historical Data Summary	162
19 Canadian Waste Fuel Usage Summary	164
20 Canadian Active vs. Inactive Clinker Capacity	164
21 Canadian Kiln Age Summary	165
22 Canadian Fuel Usage Summary	166
23 Canadian Company Ranking by Clinker & Grinding Capacity	167
24 Canadian Provincial Ranking by Clinker & Grinding Capacity	168
25 Canadian Plant Ranking by Clinker & Grinding Capacity	169
26 Canadian Company Capacity and Ownership	170
27 Canadian Cement Plant Detail	171
28 Canadian Cement Plant Detail by Province	189

Part III – Cement Plant Glossary 195

U.S. Cement Types	196
Canadian Cement Types	197

Part IV – U.S. & Canadian Cement Plant Directory 198
